

TOP 10 ADVANTAGES

for AGENTS

- 1.) Receive beautiful marketing materials and social media images automatically via email when you create a listing or make price changes.
- 2.) Single Sign On (SSO) intranet with vendor integrations so you don't have to remember multiple passwords to login to separate websites.
- 3.) We're paperless! Finally enjoy an efficient workspace environment without the paper clutter. With DocuSign Rooms, your transaction management is a breeze.
- 4.) Get paid commissions same day since eAgent Brokers use our integrated accounting platform. You can direct deposit or print your check and cash it.
- 5.) Thinking about being your own boss one day? We have on-going broker/owner training to help you succeed once you make the decision to go out on your own.
- 6.) Get more listings when you offer sellers professional photos, Matterport 3D scans, 360° exterior shots, 2D floor plans, and videos at a deep discounted rate with our in-house media company, Blue Suede Media.
- 7.) With eAgent, there can be a lot of new technology to learn and utilize to stay competitive. That's why we offer local in-person weekly trainings to help you evolve at your own pace to be a more efficient agent for your clients.
- 8.) Get to know your sphere better and faster with our predictive analytics tool that augments your CRM contacts with extensive public records data. It even breaks down your top contacts who are highly likely to list and reasons for doing so.
- 9.) Digital advertising is a done in a snap when using our easy 3 step tool that designs and configures your listings into beautiful ads for Facebook and Instagram.
- 10.) Automated listing traffic reports branded by you that show sellers online views of their property and how their property compares in your local market.
