

TOP 10 ADVANTAGES

for BROKERS

- 1.) The ability to keep your existing brand or create an eAgent office for your agents while gaining access to world class branding, technology and marketing.
- 2.) No need to micro manage your agents when you have Broker level access to our eAgent intranet. You can see what goals your agents set and the activity they need to achieve their goals with your mentorship.
- 3.) No requirements for a brick and mortar location when you have the option to use a local Synergy Office to get some work done, meet with clients or participate in educational events.
- 4.) Access your agent's transactions through DocuSign Rooms to help with questions and give your agents the ability to follow easy to use task lists to stay compliant.
- 5.) Pay your agents via direct deposit or agents have the ability to print their checks and cash them if they prefer through our integrated accounting platform.
- 6.) Communicate, collaborate and connect across desktop and mobile, using familiar features like groups, chat and video calls with our internal communication platform.
- 7.) Integrated technology suite of tools with local training where we focus on helping agents be more productive, not distracted.
- 8.) Company-wide quarterly agent competitions that sparks more productivity and agent recognition through local events which are coordinated by your local territory manager so you can focus on running your office.
- 9.) Gain more listings when your agents use our visually rich CMA presentation which can be bound in beautiful soft cover or hard cover books for unrivaled impact.
- 10.) Local Broker network discussions and education events where you can keep up to date on the latest technology, upcoming local events and compliance issues.
